

# THE COMMUNITY FAMILY CENTERS HONOR OUR VETS WITH LOW OR NO COST SERVICES

THE  
COMMUNITY  
FAMILY INC.

Adult Day Health Programs  
*care...above and beyond*

At the Community Family Centers, a fraternity of veterans gather together every day to enjoy meals and camaraderie – just like they did while esteemed members of the armed forces. Our secure, home-like settings offer a range of adult day health services from nursing care and fun, engaging activities to meals and transportation.

Many veterans are eligible for low – or no cost – services through our contract with the Veterans Administration (VA).

Community Family Centers are called “The Club” by many veterans, because they enjoy coming here to play cards and eat meals together. They are recognized for their service and treated with the dignity and respect they deserve, while enjoying each other’s company.

*Join us, won't you?  
We are looking forward  
to meeting you.*
